

Beginner to Confident - in a Month

Graphite - August on Fridays 1.15 - 3.15

Pastel - September on Fridays 1.15 - 3.15

*Not sure what a focal point is or how many you should have?
Exactly what is negative space, positive form?
How do you create textures for fur, hair or make eyes look real?
How do you make things look distant?
What's the best pencil or pastel make/brand*

Each course is a lovely mix of theory nuggets interspersed with practical exercises, quizzes, critiques and plenty of hands-on work to build your confidence

With optional Projects to work on at home

There's also a 'Try before you buy' table that allows you to find the materials that work for you from a variety of different materials, papers and tools

Up to 6 budding artists - lots of individual coaching

*Find out if this is for you
